EMWA Professional Development Programme

**Writing for the Internet**

**Professional techniques – Foundation: 3 hours**

**Diarmuid De Faoite**

**Pre-workshop assignment**

**Objective**
The pre-workshop assignment is designed to get you thinking about how information is presented differently online.

**Assessment criteria**
Pre-workshop assignments will be assessed but not marked. However, you need to submit the assignment in order to be awarded credit for the workshop. Please have your notes from this exercise at the actual workshop. We will discuss some possible answers at the start of the session.

Assignments will be accepted from participants who register late. However, late registrants cannot expect elements from their assignments to be discussed in the workshop.

**Instructions**
Please go to the following Internet survey page:
https://forms.gle/QJ4qUx7bsAtrzquY9

**Your tasks**
- Complete the survey by answering the mandatory questions as fully as you can
- The optional question will be covered in the workshop if time/opportunity allows

Please do the pre-workshop assignment by 1 November 2022.

Notify me (diarmuid.defaoite@yahoo.com) in case of any problems or if you don't receive an acknowledgement of receipt by e-mail within two or three days.

**Time required**
1.5 hours.
