Medical Writers and Scientific Team Leads

Horsham, West Sussex, UK

Are you looking for an exciting new challenge and the right opportunity?

Join the Envision Pharma team – we have clients across the globe and offices in the UK and USA. With a range of unique scientific and cutting-edge technology solutions including Datavision, we are market leaders in medical communications.

Due to significant expansion we have opportunities for medical writers and scientific team leads which offer exciting challenges in a scientifically stimulating environment.

Ideally, you will have worked in medical communications and have a relevant higher degree (or equivalent). A proven track record of medical writing and editing, plus an exceptional eye for detail are essential.

As a medical writer/scientific team lead you will (depending on level of experience) demonstrate excellent writing and quality control, serve as key client/author liaison, champion key therapeutic areas, be responsible for managing your projects and successfully delivering outputs, instruct/mentor other medical writers, and have an appreciation of the nuances of publication planning, strategy and implementation. Yes, you will be conversant with the many and varied tasks of a scientific, medical communication professional.

We are a dynamic and rewarding company to work for, with excellent benefits and an informal, friendly, and vibrant work environment. Please email your CV to kim.leal@envisionpharma.com or alternatively visit www.envisionpharma.com for the latest career opportunities.
