

Join the QIAGEN Team!

QIAGEN is one of the world's most successful biotech companies and has achieved outstanding growth in its industry. As a worldwide leading provider of innovative DNA, RNA, and protein purification technologies, and molecular testing solutions to the life science market and to diagnostic laboratories, we have consistently delivered impressive year-on-year revenue increases.

We are currently seeking for our Global Product Management Team in Hilden, Germany a

Technical and Marketing Writer (m/f)

Your responsibilities will be:

- Writing effective technical and compelling marketing literature
- Contributing actively to content of literature and online projects
- Coordinating preparation of materials during text and layout phases
- Communication with internal and external partners
- Playing an active role in the Global Product Management to implement corporate marketing strategies

Qualifications required:

- Native English speaker
- Molecular biology or similar experience
- Ability to work in a team environment
- Excellent written and verbal communication skills
- Ideally first writing experience

If working in this challenging interdisciplinary area appeals to you, you will find a highly motivated team at QIAGEN looking forward to your support!
