

## Are you looking for an exciting new challenge and the right opportunity?

The UBC-Envision Group has clients across the world and offices in the UK and USA. With a range of unique scientific and cutting-edge technology solutions including Datavision™, we are market leaders in medical communications.

Due to significant expansion we have opportunities for medical writers and scientific team leads which offer exciting challenges in a scientifically stimulating environment.

Ideally, you will have worked in medical communications and have a relevant higher degree (or equivalent). A proven track record of medical writing and editing, plus an exceptional eye for detail are essential.

As a medical writer/scientific team lead you will (depending on level of experience) demonstrate excellent writing and quality control, serve as key client/author liaison, champion key therapeutic areas, be responsible for managing your projects and successfully delivering outputs, instruct/mentor other medical writers, and have an appreciation of the nuances of publication planning, strategy and implementation. Yes, you will be conversant with the many and varied tasks of a scientific, medical communication professional.

We are a dynamic and rewarding company to work for, with excellent benefits and an informal, friendly, and vibrant work environment. Please email your CV to [kim.leal@UBC-EnvisionGroup.com](mailto:kim.leal@UBC-EnvisionGroup.com) or alternatively visit [www.ubc-envisiongroup.com](http://www.ubc-envisiongroup.com) for the latest career opportunities.

Visit the UBC-Envision Group stand at the 28th European Medical Writers Association (EMWA) conference 26-30 May, 2009; Ljubljana, Slovenia.
