## **Experienced Medical/Regulatory Writers Needed 2 in Paris; 2 in Buckinghamshire, UK**

Synchronix Europe, Ltd, is seeking experienced medical/regulatory writers for 2 positions in Paris and 2 positions in High Wycombe (near London), UK.

The UK positions will be based in our High Wycombe office. The Paris positions will be based on the site of one of our largest pharmaceutical clients. These are permanent, full-time positions.

### **Responsibilities**

- Write and edit strategic regulatory documents to move pharmaceutical and biotech products through global regulatory processes.
- Actively participate in project management/client relations.

### **Qualifications**

- Preferably an MD, PhD, PharmD, or other advanced life sciences degree.
- Experience writing some, but not necessarily all, of the following documents: CSRs, INDs, NDAs, PK studies, ISS, ISE, CSS, CSE, IBs, PSURs.
- Familiarity with ICH guidelines.
- For the Paris positions, fluency in French and English.

### **Who is Synchronix?**

Synchronix Information Strategies Inc., [www.synchronix.com](http://www.synchronix.com), is a medical/regulatory/scientific communications company, founded on the principles of ethical business practices and high-quality work. Synchronix is headquartered in Wilmington, Delaware, US, with offices in Greater Philadelphia and Boston, as well as wholly owned subsidiaries in the UK and Manila, Philippines. Established in 1986, Synchronix develops strategic regulatory documents for Fortune 500 companies in the pharmaceutical, biotech, and other highly regulated industries, and guides them through global regulatory bodies.

### **Why choose Synchronix?**

Synchronix is a learning-oriented organization that is strongly committed to the idea that every individual—regardless of experience level—has something to teach and something to learn. Because we have such a wide range of global clients and locations, we apply international best practices. We provide competitive compensation, work-life balance, and a friendly, flexible working environment.
