

Clarity and Openness in Reporting: E3-based

EMWA-AMWA Budapest Working Group (BWG) Team Members

The all-new CORE (Clarity and Openness in Reporting: E3-based) Reference, scheduled to be available by mid-2016, is being developed by the following BWG volunteers:

De Novo Review Team

Medical Writing

Debbie Jordan
Vivien Fagan
Sam Hamilton

Statistics

Anna Shannon

Pharmacokinetics

Graham Blakey

Oversight Review Team

Aaron Bernstein
Art Gertel
Walther Seiler

Tracy Farrow – special focus, transparency and disclosure

Quality Control

Tania Kotsokechagia

CORE Reference Publication

Alison Rapley joined the team on 28 January 2015 to oversee publication management for the final CORE Reference.

My sincere thanks to all team members for their unfailing commitment of time, expertise and energy to this demanding project.

Sam Hamilton

**EMWA Vice President
BWG Chair**
