**Medical Video: Joint Position Statement Recognized Worldwide**

December 12, 2018: Translated into new languages. All this activity is a testament to the longevity and continued interest for the principles laid out in the JPS. The Enhancing the Quality and Transparency of Health Research (EQUATOR) Network recommended the JPS as a list of reporting guidelines. The American Medical Writers Association (AMWA) and the European Medical Writers Association (EMWA) endorsed the JPS and presented it to the public.

**WEBINARS**

This month’s webinar will be on Thursday 24th of January from 14:00-15:00 CET by Pablo Mugüerza explaining why did I get this? Here’s a brief introduction: the best way to face the challenges that freelance medicine presents in medical writers and translators is to have the tools and know-how to communicate medical background. Here’s the chance to listen, learn, and be involved in Clinical Trial Harmonisation (CTH) for data sharing.
