*Vienna* photo contest!

If you are working in the veterinary field please join us in Vienna to establish a network, and define which EMWA activities can better support the professional communicators need adequate training to recognise good publishing: besides planning EMWA-specific seminars, trainings and articles, our subject matter experts (SMEs) are going to discuss the possibility of a joint position with SMEs of AMWA and ISMPP. See you in Vienna!

---

**Call for volunteers**

If you are interested in volunteering, please contact PIA Commercial at info@PIAcommercial.com.

**Webinars**

- **Checking Consistency: An Advanced User's Guide**
  - In April 11th, we will expand on this subject with "Checking House Styles: Customizing PerfectIt for Advanced Users" also by Daniel Heuman.

**EMWA Newsblast - March 2019**

- **GDPR**
  - EMWA supports the principle of data privacy and transparency as set out in the GDPR. In order to comply with the GDPR, EMWA and EMWA members must take steps to ensure that data privacy and transparency are maintained. This includes ensuring that personal data is processed in a way that is compliant with the GDPR.

---

**News of Interest**

**Regulatory Update**

- **Opinion** on the interplay of the CTR and GDPR
  - Swissmedic published information sheet "Drug Safety Signals" in order to raise awareness about the CTR and GDPR. The information sheet provides an overview of the key provisions of the CTR and GDPR and how they interact with each other. The information sheet also includes guidance on how to comply with the CTR and GDPR.
